Background

The United Nations is an impartial and trusted partner in Uganda, supporting the Government to achieve its development goals. The United Nations Country Team (UNCT), is comprised of 22 resident and non-resident UN agencies. The UN Resident Coordinator/UNDP Resident Representative (RC/RR) leads the UNCT and is the highest representative of UNDP in Uganda. The RC/RR is also the Designated Official for security for UN Uganda.

The Government of Uganda and the UN have agreed to adopt the ‘Delivering as One’ (DaO) modality in Uganda to better adapt UN’s support to the national context. ‘Delivering as One’ is an initiative by the United Nations aimed at making the UN better coordinated and more efficient and effective. Within countries the UN aims to achieve this through having One Leader, One Programme, One Budget, and by Operating and Communicating as One. The UN Resident Coordinator is assisted in her coordination role in the field by United Nations Area Coordinators (UNACs) in the areas where the UN has a strong presence on the ground. The UNAC system is a UNCT-integrated coordination system at the field level that convenes UN agency representatives through regular Area Coordination Team meetings. The UNAC system seeks to accelerate the implementation of Delivering as One at the field level in Acholi and West Nile, Karamoja and South West. The three intern positions will support the UNAC System in Moroto, Gulu and Mbarara respectively.

The interns will report to the UN Area Coordinator and will work in close collaboration with the UN Field Coordinator based in the UN Resident Coordinator’s Office.
